Author's Message

The Holy Bible contains untaught knowledge that your soul needs for eternal life. This untaught and hidden knowledge is revealed here. Learn the truth of God's Word, verifiable by your own eyes and from your own Bible. The Bible truths found here are unfiltered by Church denomination, dogma, tradition, friends, or family. Is the truth found in the Holy Bible important to you and your family? It should be, as Jesus Christ actually rejects *many* Christians who thought that they were going to Heaven. Open your Bible to Matthew 7:21-23 where Jesus says: "I never knew you!"

God called me to explain these words of Christ. How do we know he rejected Christians? Exactly which Christians are rejected by Christ and why? And, if Christ rejects even one Christian, how can his rejection be reconciled with the traditional Church message of salvation only through Jesus Christ?

I ignored God's call for several years. Delivering a message from God to the Church is an apostle's job. It was not a calling I wanted. However, I spent five years with God writing the *Book of Edward*. The primary message God told me to tell the Church is that many Christians are headed towards Hell thinking they are headed towards Heaven. Compare Christianity to Scripture and you'll find that many churches now teach mythology as Paul prophesied would occur during the End-Times before the return of Christ - 2 Tim. 4:3-4.

Don't be offended at the words "Christian mythology" and the tough discussions from God's Word found on this site. If you want eternal life, you'll have to embrace God's Word, even when it differs with all that you've been taught. The hidden spiritual answers inside this site are backed by the Word of God. They are HIS teachings, found within your own Holy Bible.

Christmas Grinch Steals Some Salvation Joy As Author Proves That Christ Condemns “Many” Christians To Hell!

Elk River, MN. (Dec 14, 2005) – In what could send shock or fear into the hearts of believers in Narnia and Christendom, the Rev. Edward G. Palmer, aka “The Apostle Edward,” proves from Scripture that “many” Christians will be rejected by Jesus Christ at judgment time and sent to Hell instead of Heaven. His “Book of Edward: Christian Mythology” has been released and is now available online or through bookstores. This Christian author challenges the foundations of modern Christianity and especially Christianity as it is now practiced in the United States. Using Bible software, Palmer spent ten years researching Scripture and five years writing the “Book of Edward: Christian Mythology.” Palmer explains from ignored Bible Scriptures why the Trinity and Salvation doctrines preached today are false myths and why they may actually lead people to Hell instead of to Heaven.

The Apostle Edward said: “The idea that only Christians get to go to Heaven is false and unsupported by the Bible. Scripture makes it clear that ‘righteous people’ from all nations receive God’s eternal salvation. Christ preached repentance and righteousness, but Christianity has morphed Christ into a god of forgiveness that often ignores repentance and doesn’t care about righteousness. A \$6 million dollar church theft is discussed in the book as an example of how Christians lie and how they vote against God with their actions. It’s a myth that Christians can ‘lie’ and that their actions don’t matter to God. It’s a myth that Christians can take actions and/or vote against God’s values.”

The “Book of Edward” is online to read or buy at <http://www.edwardtheapostle.org>. Documentation of the \$6 million dollar Elk River church theft, heretofore ignored by authorities, can be found at <http://www.james417.org>. JVED Publishing, “Book of Edward” publisher, is a division of Apostle Ministry, Inc., 18140 Zane Street NW #410, Elk River, MN 55330.

Book of Edward — FAQ

First News Release

1. Why is the 12/14/05 First News Release headline different than Business Wire's?

Answer: The original headline found in this kit was unacceptable for Business Wire's distribution network. Specifically, the words "prove" and "hell" were both found to be objectionable and an attribution source for the news release was required in the headline [JVED Publishing]. The frequent editing of news by media entities points out the difficulty in getting God's Word out to the public. When words like "hell" are found objectionable to print or distribute, one questions just how free our speech is in the USA. Nevertheless, the body of the release remained the same.

2. Why did the First News Release state "Grinch steals some salvation joy?"

Answer: Christian mythology has evolved to the point where "many" Christians no longer believe that their actions matter to God. They would especially view the author as a Grinch trying to throw cold water on their "no responsibility required" salvation in an attempt to steal their Christmas joy. Ergo, "many" Christians will actually resent the author albeit those who love the truth of God's Holy Word will not.

3. Is the author picking on one sect of Christianity with his writings?

Answer: No, virtually every organized church denomination will find something in the Apostle Edward's writing to complain about. That is because, without exception, some aspect of every organized church is offensive to God and places "many" individuals within those churches in jeopardy with God. The sole exception in the Apostle's mind is the home-based Bible church, which is reemerging due to the apostasy that is rampant within organized religion.

4. How can the author state he can "prove" Christ condemns Christians to Hell?

Answer: The author reminds people of Christ's very own words in Mt. 7:21-23. Therefore, it is Christ, speaking for God that states this as a fact in the Bible. Who else could Christ's words possibly apply to? Jews and Muslims do not call upon the name of Christ for prophecy, casting out demons and doing [mighty] wonders. It is a fact that Christ condemns "many" Christians to Hell. That is one of many teachings of Christ that are ignored in Christendom today.

5. Has the author seen the Chronicles of Narnia movie and what is his opinion of it?

Answer: Yes, the author has seen the movie. He said: "Clearly the movie is an allegory on the redemption of Christ. Only Bible ignorant movie reviewers could come to any other conclusion. However, the Narnia movie continues to promote the mythology that repentance is not a requirement of God. In that respect, it may further lead Christians astray from God's truth. While it is true that 'redemption' has occurred in the movie, it is made available without a minimum of responsibility and a clear statement of repentance. Therefore the movie does not deal with repentance, but then, it is just a movie, isn't it?"

6. After 2,000 years, how can the author now claim that both the Trinity and Salvation doctrines in Christianity are myths?

Answer: Computer software was used to carefully analyze and review all the logic given in these two regards. These Church doctrines no longer stand the test of Scripture, because Scripture is now easily searched for truth. Before computer Bible software was available, man had to rely upon his own notes and the prior writings of others. Today, he can easily search Scripture for truth and doesn't have to just "accept" pulpit teachings. The Apostle Edward said: "The Trinity doctrine emerged in the first century and is present in the teachings of St. Ignatius circa 80-100 AD. The Trinity is clearly a theology developed by the early Church and as the third Bishop to Antioch; Ignatius makes it clear he is teaching Church doctrine. However, his Trinity teachings were coupled with obedience teachings as well. Today, obedience has been decoupled and the Trinity doctrine has become a rationale for people to sin. Ergo, ordination of active homosexuals as a bishops, priests, etc. This and other abominations anger God."

Further discussion of the Trinity Doctrine and why it is false is in Volume II, Chapter 10. Further discussion of the Salvation Doctrine and why it is false is in Chapter 12.

7. Christianity states only "believers" in Christ get the benefit of salvation. How can the author state that "all righteous people" around the world will see salvation?

Answer: Christianity has ignored Scripture on this very issue and many sects within Christendom preach that salvation is only available from "their" Church. Such people are ignorant of actual Scripture, especially the words of Christ concerning salvation. Again, a complete discussion, with back up Scriptures, is contained in the Apostle Edward's writings. A graphic follows in this Media Kit, which contains the teachings of Christ in regards to who gets into Heaven. Nowhere does Christ teach the myth that you get into Heaven by just "calling on the name of Jesus." Christians around the world should meditate on what Christ actually said in Matthew 7:21-23 if they think just calling on Jesus' name will get them saved.

8. What does the Apostle Edward mean when he says Christianity has morphed Christ into a new God?

Answer: It is clear in early Church teachings that obedience to the commands and commandments of God were every believer's responsibilities. Ergo, true faith in Christ led one into obedience to God's ways and not into some kind of rationalization of their sin. The rationalization of man, in this regards, is discussed in Volume II, Chapter 9.

9. What Church theft are you talking about and where is the proof?

Answer: The author is talking about the theft of Solid Rock Church, Inc. in Elk River, Minnesota. The theft is fully discussed in Volume III, Chapters 16 and 20 and remains unaddressed by state authorities as of this date despite full disclosure of the crime. The theft was accomplished by the filing of fraudulent Articles of Incorporation with the Minnesota Secretary of State. Documentation can be found at the Secretary of State's Office in the form of Articles filed [sworn as truth under the penalty of perjury]; The Tenth District Court in Elk River in the form of actual corporate meeting minutes [which can be compared to state filings]; and, on <http://www.james417.org> web site.

10. Why hasn't state authorities taken action against this \$6 Million fraud?

Answer: You have to ask the authorities responsible this question. The author has no explanation other than it seems like the "Church" theft has been a hot potato; that no one in authority has wanted to get involved. This also demonstrates how people vote against God, even Christians, with their behavior, actions or even their lack of action.

11. How is the theft estimated at \$6 Million dollars?

Answer: The church property resides adjacent to scarce commercial property within the City of Elk River. Its size is about 20 acres. If the Church and three adjacent homes that are part of the property were simply bulldozed down, an estimated 4-8 homes per acre could be developed on the property. Therefore, the land alone from this perspective is worth \$4-8 Million. However, from a commercial development perspective, it might garner 1.5 to 2.0 times that value. Buildings on the land are estimated to be between \$2-4 Million in value. Ergo, it is fairly easy to determine this as at least a \$6 Million dollar theft without even counting personal property that may have been engulfed along with the corporate property [and should be counted in the theft].

12. What does the author mean when he says we "cannot vote against God's ways?"

Answer: The answer to this question is explained throughout the four-volume set. The Bible, taken as God's Word, contains specific instructions in the form of "do" and "do not do." Today, however, little of this obedience actually matters to the "many" Christians that Christ condemns. This issue is further discussed in the Media Kit as the Apostle Edward asks: "Are you Ready?" See the page with his photo on it that follows.

13. Does the author write against any particular political party?

Answer: No. However, in Volume III, Chapter 20 it is clear that the author holds the Democratic Party responsible for the current moral malaise that the country now finds itself struggling with. The Apostle Edward said: "Clearly, when one examines history from a moral perspective, there can be no other conclusion than that the Democrats have led us to a moral precipice. They dropped the 'moral' ball. Having said that, it is far from clear that the Republicans are capable of sustaining a moral foundation within their party that would return the United States to the moral underpinnings that the Founding Fathers assumed would sustain us. We were founded as a Christian nation with a common morality and religious understanding. All of that is now gone and Christianity's false teachings and moral failures are part of the moral dilemma that the US now faces."

14. Where can I get more information?

Answer: The book web site is <http://www.edwardtheapostle.org> and the theft web site is <http://www.james417.org>. In addition, the author is open to interviews from both the print and radio media. Interview times would have to be established in advance and due to the extensive nature of the book, confined to one area of the book or just a general discussion of the book.

15. Why did it take 10 years of research and 5 years to write the book?

Answer: The Apostle Edward wrote the book as God gave him input. A lot of that input was occurring as Edward was living his life. I.E. The chapter on healing is reflective of Scripture God gave Edward after his wife died of cancer. Also, the author is the CEO of a small energy development company and has had other duties to deal with. The author's resume is at the back of this Media Kit. His extensive corporate legal background enabled him to uncover the church theft and understand how it occurred.

Other Questions

16. What else can you tell me about the theft?

Answer: The author refers everyone to Volume III, Chapters 16 and 20 for a full discussion of the theft and to the james417.org web site for documentation. Case files at the Tenth District Court are easily located by searching on Solid Rock Church and/or the Elk River Assembly of God Church.

17. Why did it take so long to get the word out to the public about the theft?

Answer: A continuous effort has been made since the theft was discovered to get the word out to the public. However, the issue has been a hot potato for various authorities and media concerns about litigation prevented various advertising notices from getting published. In fact, one rural newspaper refused to run an advertisement announcing the Book of Edward to its readership fearing it would upset their readers.

18. What can you tell me about Apostle Ministry, Inc?

Answer: Apostle Ministry is a home-based church group that meets and discusses God's Word. For the first ten years it has been focused on studying Scriptures related to the book the Apostle Edward has written. Ergo, the Bible group has extensively studied all of the subjects written about in Scriptures over a period of 10 years.

19. Was the book written solely by Edward G. Palmer? Answer: Yes.

20. What makes the author think he is a modern day apostle?

Answer: This is fully discussed in Volume I, Chapter 6.

21. Apostles have a message from God. What is Edward's?

Answer: That "many" Christians are headed to Hell instead of Heaven for reasons clearly cited in existing Scripture. God gave Edward the explanation of who Jesus is talking to in Matthew 7:21-23. That is what the Book of Edward is all about. It explains precisely whom Christ is talking to when he said: "I never knew you!" It explains which Christians get sent to Hell and why.

22. Why is the book textbook sized at 8.25x11 with 14 pt font?

Answer: God gave the book size, font; cover materials and interior content spiritually to the Apostle Edward.

23. How does the Apostle Edward talk to God?

Answer: This is discussed throughout the book, but especially in Volume I.

24. Isn't the Book of Edward costly?

Answer: No. It is priced very competitively with other comparable books. The Book of Edward is also a print on demand title and its resultant cost structure is much higher than what would have been possible with a volume produced book. Recognizing that cost may be a factor for some people, the author has made the book readable entirely free on the book web site and as a low cost eBook for those who cannot afford a printed copy. Therefore, one can simply go to their local library if needed and read the book free.

25. Are there any other special web site features?

Answer: The book's official web site is being coded so that visitors will be able to search the book for pages that contain words they enter into a search engine.

26. Will the Book of Edward be part of Google's new book search service?

Answer: Yes, Google has scanned the Book of Edward into their book database. Therefore, the book can now be searched on Google's Book Search site and may even appear in their search engine at some time.

27. Is the Book of Edward available at Amazon?

Answer: Yes.

28. Is the Book of Edward available in bookstores?

Answer: It is stocked at "Where The Books Are" at 938 Highway 10 in Elk River MN 55330, (763) 633-2665. It is distributed by Ingram Books and is available to order through most all other bookstores nationwide.

29. Are there volume discounts available from JVED Publishing?

Answer: In addition to trade discounts through Ingram Books, JVED Publishing offers direct discounts on orders of 25 or more sets or individual books of the same volume. JVED Publishing can be contacted using the contact form at the web address of http://www.edwardtheapostle.org/jved_contact_form.html if needed.

30. Does Apostle Edward have an email address in which to contact him directly?

Answer: The book web site has a feedback form that can be used. While he reviews these inputs, he will not guarantee that an electronic or written reply will be made. The Apostle Edward does pray over all prayer requests he receives and he also brings them to his bible study group for the group's prayer.

Book of Edward Descriptions

Today, Christianity is steeped in mythology and “many” Christians are unwittingly headed towards Hell instead of Heaven. They are far away from God and HIS Word. How would you answer these three questions: 1) Do you pray to Jesus? 2) Do you worship Jesus? 3) Do you give all the glory to Jesus? If you've answered yes to even one, you do not know God, HIS only human begotten Son or HIS Word. Many Christians have been programmed with mythology as explained in 2 Timothy and 2 Thessalonians. However, Jesus taught: 1) Pray to God the Father [Matthew 6:6]. 2) Worship only God the Father [Matthew 4:10]. 3) That he comes in his Father's glory [Mark 8:38].

The Apostle Edward asks ...

Are You Ready?

When he returns for souls, will Christ find you going about God's business? Will he find your spiritual light shining? If not, why? Do you even know why Christ stated those two salvation requirements?

There is an exodus from established churches by Christians who have found out that many churches no longer teach God's truth. The trend is worldwide and was the subject of a recent newsletter I received. These Christians read the Bible and compared what their church taught.

They found that the Church supported many evil things that God abhors. In the process, they have asked themselves some fundamental spiritual questions:

- Can we support abortion if God abhors the shedding of innocent blood?
- Can we support Gay rights if God says homosexuality is abominable?
- Can we support a political party that seeks to excise God from everyday life?
- Can we support world friendship when it makes us His enemy?

Christian mythology is rampant. The Book of Edward discusses the above and many other important issues that the Church is now confronted with. Will you personally obey God's Word and the teachings of Jesus? If not, you are not saved. This book can reawaken your spirit and save your soul. At the very least, it will educate your heart.

I can remember the first experience in which I felt betrayed and confused by a pulpit teaching that did not line up and match what the word of God actually said. The basic choice you have, as a Christian, is whether you will adhere to God's Word or to the man made doctrines of your social group, your church, its hierarchy or its denomination.

There lies the main issue of salvation. You'll have to decide on God's Word if you want eternal life for in the end analysis you will be held accountable to HIS Word. Christians are leaving the established church and finding small fellowships or home churches as described in the New Testament. God has opened their eyes to HIS truth and if you read and study the Scriptures in this book, HE will open your eyes.

If desired, you may write to me in care of JVED Publishing. May your soul find the true salvation contained in the teachings of Jesus Christ. The Apostle Edward

So group one is not judged according to Jesus, but group two (2), three (3) and four (4) face Christ's judgment. Group two (2) is defined in Matthew 24-25 and John 6:45 as wise "doers of the Word." These people are drawn to Christ by the FATHER and are righteous and caring people.

Appendix A

A Real Salvation Prayer

OPENING PRAYER: FATHER God, let everyone who utters this prayer of salvation unto YOU, with a sincere heart, immediately feel the presence of YOUR Holy Spirit and equip them with the internal strength of conviction to stand tall for YOUR righteousness at all costs and even unto their own human death. Verily I say unto YOU that this is YOUR expectation of their [my] sincere heart. The Apostle Edward

INSTRUCTIONS: Pray out loud and offer up to God Almighty outstretched arms and the following prayer, on your knees, in the privacy of your prayer closet [private room, alone], and with your sincere heart. Verily I say unto you that your soul will see eternal life in Heaven upon the death of your earthly body if your heart is sincere with God to the point that your behavior turns to righteousness. Mark down the time, date and place of this gift of your heart to God and feel free to share this moment of time when you made a commitment to walk in God's ways with HIS priorities over your life.

PRAY: Heavenly FATHER, the only ONE and True God. YOU, who are also the FATHER and the only ONE and True God of my brother Jesus Christ whom YOU sent down as a living human sacrifice for the sins of all the humans in this earthly realm and world, hear this prayer from my sincere heart. This prayer comes from within the bowels of my spirit-soul and I fully understand that this is a one-way decision of my heart.

A Real Salvation Prayer

FATHER, I believe in YOUR only human begotten Son Jesus Christ. I believe that YOU sent Christ down to this earth and that he became the human being Jesus Christ [Yashua] in the flesh just like the flesh I have. I believe he had bones like I do, flesh like I do and blood like I do. I believe that his body on the cross was no different than any other human body on the cross. I acknowledge Jesus Christ is the Son of God; he is not God.

FATHER, I believe that he only spoke what YOU told him to say and that he only did what YOU told him to do. I believe that he was the final and perfect blood sacrifice for the forgiveness of the sins of mankind. FATHER I believe that includes my sins.

LORD, I fully acknowledge that by accepting Jesus Christ as my personal savior and brother that I am inviting his perfect spirit into my life to share this earthly body with me. Along with his spirit, I understand that you will also give me YOUR Holy Spirit and that YOU also will dwell within me.

I believe that the end result of my sincere acceptance of this gift of YOUR Son is the Oneness that I will share with YOU and him. Christ has taught me that I might live in perfect Oneness, Peace and Joy with YOU and him. O LORD, this is truly the sincere desire of my heart. I no longer want to be spiritually alone.

Therefore, I accept the precious gift of YOUR Son Jesus Christ and I repent of my past sins and sincerely regret every thought, action, behavior or anything that was displeasing unto YOU. I understand that with the precious gift of YOUR Son, YOU expect me to live a righteousness life the rest of my days on this earth.

Such a life entails living up to YOUR expectations and obeying what YOU and YOUR Son taught us in Holy Scripture. LORD, I acknowledge that I cannot be perfect in and of myself. I realize that to be like Christ requires that I “practice” righteousness and that I avoid sin to the best of my ability. I acknowledge that to continue willfully to sin is a tacit rejection of the gift of Jesus.

A Real Salvation Prayer

I also acknowledge FATHER that there will be unintentional and unknown sins that will come in my life. I understand that YOU and Christ will cover those types of sin and function as a guide in my life to keep me on the narrow path to Heaven.

FATHER, I acknowledge that YOUR Son is not a free pass on sins like so many Christians believe. Therefore, when I realize I have sinned against YOU in any way, I promise to confess that sin immediately and to keep a short list of my missteps with YOU. I know YOU are faithful to forgive under such conditions, but I also realize that if any life is filled with such confessions that it will be a testimony of an insincere heart. I recognize YOUR instructions in Ezekiel 18 and that Jesus has not altered YOUR criteria for punishing sinners. Therefore, keep me under YOUR wings O God and give me a pure heart unto YOU.

Having said this FATHER, I pray that you will dwell within me and help me to be the man [or woman] that you want me to be. I ask all of this in the name of Jesus Christ whom I confess with my mouth that he came in the flesh as YOUR only begotten SON. I acknowledge with my heart that YOU expect righteousness, a new life with changed behavior; behavior that glorifies YOU.

FATHER, help me to be an instrument of YOUR will even as Christ was such an instrument. Let this day be the first day of the rest of my life and help me to put away all offensive behavior and sin, which YOU hate. In the name of YOUR only begotten and beloved human Son Jesus, I pray. AMEN
